**2019 Robert D. “Bobby” Timmons**  
**Alabama Sheriff of the Year Award**  
**DERRICK CUNNINGHAM**

Sheriff Cunningham is the proud recipient of the 2019 Robert D. “Bobby” Timmon’s Sheriff of the Year Award. This honor was announced this past February at the Alabama Sheriff’s Association Winter Training Conference held in Opelika, Alabama.

The annual nominations are submitted anonymously from the 67 sheriffs throughout the State of Alabama. As Sheriff Cunningham sat amongst his colleagues during the President’s Banquet, he was humbled to hear his name called for the 2019 “Sheriff of the Year” award. In his acceptance remarks, Sheriff Cunningham stated “This is a top award. When you strive to become a sheriff, and to be honored by your peers and colleagues, and to be recognized by them, that means a lot. It says a lot about the time and attention spent in the service of my community. It says a lot about the time my staff spends making sure my vision is implemented in serving the citizens of Montgomery County.”

Sheriff Cunningham credits his parents for molding him into the person he is today. “They prepared me for this journey, and as I travel throughout my career, it is my goal to honor them each and every day.” I know my mom is looking down and saying, “Hey son, I’m proud of you.”

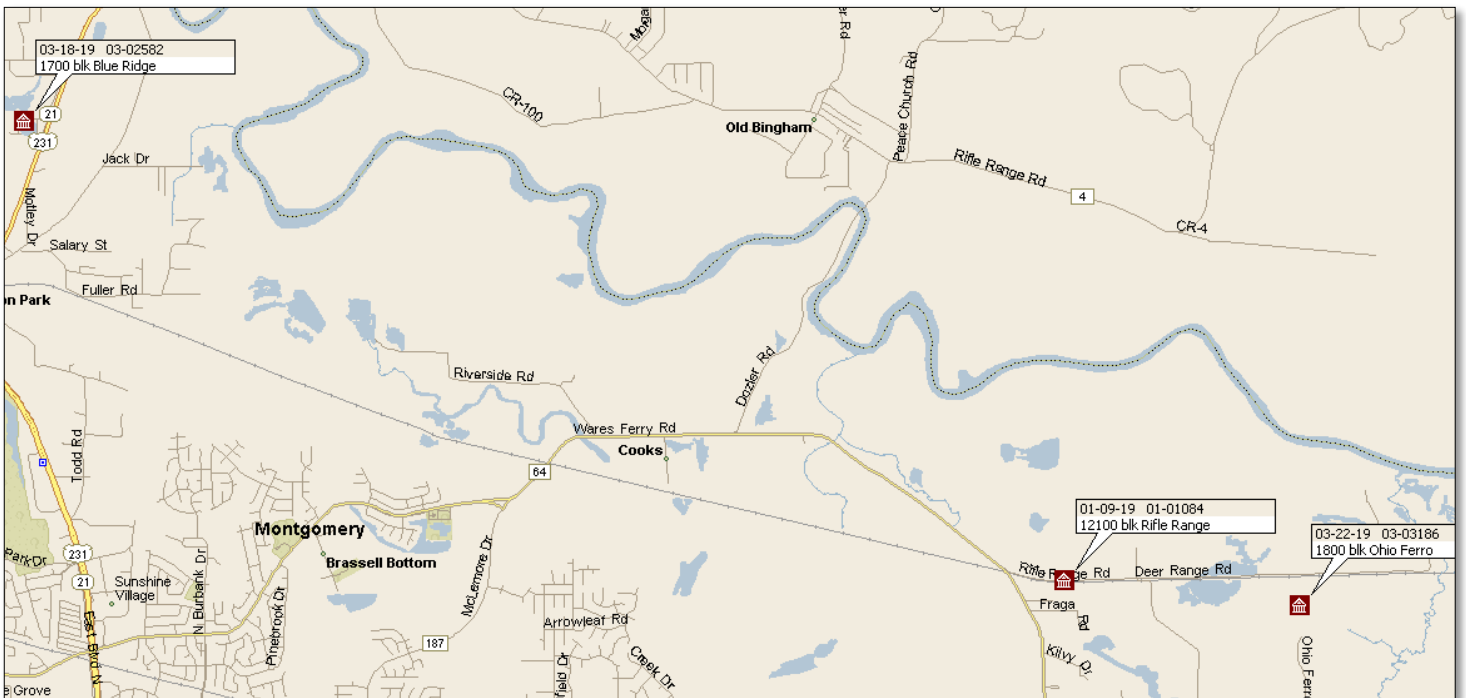

Sheriff Cunningham was also sworn in as the 2019 Vice-President of the Alabama Sheriff’s Association. His goal is to be the finest sheriff for the citizens of Montgomery County and the members of the Montgomery County Sheriff’s Office.

## 2019 First Quarter Deputy of the Quarter

**Sergeant David Alford** received information from the Montgomery Police Department that provided a description of a suspect vehicle occupied by suspects wanted for murder and robbery in St. Tammany Parish, Louisiana. The vehicle was last seen northbound on Interstate 65, possibly traveling into Montgomery County. Sgt. Alford alerted dispatch, responded to the area and assigned deputies to the Hope Hull location of I-65 in an attempt locate the suspect vehicle. Shortly thereafter, the suspect vehicle was located on I-65 near the Selma Highway exit.

Assisted by officers of the Montgomery Police Department, Sgt. Alford activated his emergency equipment. The suspect vehicle refused to stop. A pursuit continued throughout Montgomery toward east Montgomery County on Vaughn Road. Montgomery County deputies “spiked” the suspect vehicle on Vaughn Road near Wildwood Dr. The suspect vehicle’s driver lost control and left the roadway. A female occupant of the vehicle was detained immediately. Two male suspects fled on foot. Sgt. Alford and assisting deputies located them after a brief search.

Lt. R. Thompson, in recommending **Sergeant David Alford** as our first quarter Deputy of the Quarter writes: “After locating the vehicle, Sgt. Alford displayed a very calm, professional demeanor while conducting the pursuit. He was able to relay clear, concise radio traffic to dispatch, which allowed other deputies to easily identify his location and assist with the incident. Sgt. Alford displayed impeccable judgment and a calm demeanor while negotiating various traffic conditions, all the while maintaining sight of the suspect vehicle. It is clear that even in the face of danger, Sgt. Alford knew that public safety was paramount. Sgt. Alford’s actions resulted in the apprehension of three dangerous fugitives, who obviously had no regard for public safety.”

## **Montgomery County Sheriff's Office TO INCREASE ACCESS TO SAFE MEDICATION DISPOSAL WITH DRUG COLLECTION UNIT DONATED BY CVS HEALTH**

*Joint effort by CVS Health and Partnership for Drug-Free Kids aims to combat drug abuse, encourage safe drug disposal in local communities*

On Friday, March 17, 2017, the Montgomery County Sheriff's Office unveiled their new drug collection unit they received as part of CVS Health's Medication Disposal for Safer Communities Grant Program. The new unit will be located at Administrative Office of the Sheriff, at 100 South Lawrence (2<sup>nd</sup> floor lobby) and will provide residents with a safe and environmentally responsible way to dispose of unwanted, unused or expired medication, including controlled substances.

"CVS Health is dedicated to helping the communities we serve address and prevent prescription drug abuse," said Tom Davis, R.Ph. Vice President of Pharmacy Professional Services at CVS Health. "Reducing the amount of unused and unwanted medication in the home is critical to preventing prescription drug abuse. We are proud to work with the Partnership for Drug-Free Kids and local leaders to increase convenient access to safe medication disposal."

The new drug disposal unit will help to reduce the amount of unneeded medicine in residents' homes and decrease the potential for prescription drug abuse, which has soared in recent years, especially among teenagers. More than 70 percent of teenagers say it is easy to get prescription drugs from their parents' medicine cabinets, according to a Partnership for Drug-Free Kids study. Proper drug disposal also helps to prevent the contamination of local landfills and water supplies from unused medication.

Over the last few years, the Montgomery County Sheriff's Office has participated with the Drug Enforcement Agency (DEA) and their Drug Take Program. We have collected hundreds of pounds of unused or expired medication. "Sheriff Derrick Cunningham and the staff of the Montgomery County Sheriff's Office are proud to partner with CVS and would like to thank them for providing this grant opportunity. This Drug Collection Unit will help us offer the citizens of Montgomery a safe, convenient, and responsible means of disposing of prescription drugs, while also educating them about the potential for abuse and misuse of medication". The Medication Disposal for Safer Communities program has donated more than 600 drug collection units to law enforcement agencies across the country, which have collected more than 47 metric tons or 100,000 pounds, of unwanted medication. CVS Health also assists law enforcement by supporting local drug take back events and promoting local drug disposal collection sites.

## Sheriff's Office APP

The Montgomery County Sheriff's Office has a new phone app called "Montgomery County AL Sheriff" that can be accessed through your phone's app store. Once you have added this app to your phone, you can easily set your phone up to receive important push notifications. Push notifications are quick, important messages that can notify you of road closure(s), blocked road(s), anything pertinent to your travel, escapee, etc. While our app can help you with many things including checking to see if someone is in the county jail, it is most helpful to receive push notifications. After you have downloaded the app, go through the follow steps to make sure your phone is set up to receive the push notifications:

- Go to your phone's setting icon
  - Scroll down and click "Applications"
